You are cordially invited to the 2nd annual Rehabilitation Counseling Networking Reception at San Francisco State University (SFSU). This event will bring together Rehabilitation professionals and Rehabilitation students from across the Bay Area, for an evening of networking, connecting, and celebrating the future of Rehabilitation Counseling.

We are pleased to announce that SFSU's Rehabilitation Student Association (RSA) is now a student chapter of the California Rehabilitation Association (CRA)! Please come celebrate this new professional relationship with us, as well as learn about other rehabilitation agencies in the Bay Area, and honor those who have been dedicated and committed to the field.

We look forward to your attendance at this wonderful professional event.
